George Choundas : The Pirate Primer: Mastering the Language of Swashbucklers Rogues before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pirate Primer: Mastering the Language of Swashbucklers Rogues:

2 of 2 people found the following review helpful. The Pirate Primer: Prime in my book!By ArmsmereThe Pirate Primer: Mastering The Language Of Swashbucklers And Rogues by George Choundas is a must-have for any would-

be buccaneer! This hefty book, I mean hefty, is not only a pirate dictionary of extraordinary girth but a literary source as well. This fellow Choundas must have had an obsession with Pirate Pop Culture because he mined everything from movies, to TV shows, novels, historical reference volumes, even the Disney Park ride for material for this book. Divided into handy and very logical parts, making it easy to get right to the info you need, i.e. Threats, Curses, Oath, Insults and Boarding Terms, In the heat of Battle terms, Nautical terms, and getting down to the nitty-gritty of sentence structure and style, this book is way more than you could ever imagine until you see it! I was so very pleasantly surprised upon receipt of this book and haven't been able to get my nose out of it. It is also very handsome. My hard cover edition is period-looking enough to set out at the Pirate Faire as a prop, with its leather-like brown cover and its parchment-style pages and old-timey font. You won't be disappointed, mates! 2 of 2 people found the following review helpful. And for those who love ANY pyrate movie By Christine Hanson ABSOLUTELY ESSENTIAL!!!! Choundas has written an incredible book that is absolutely imperative for those of us living on the tide winds of pyrate lore! And for those who love ANY pyrate movie, from Treasure Island to Pirates of the Caribbean, will absolutely enjoy this book. Complete with pyrantical insults! 0 of 0 people found the following review helpful. such a good read. By GhastLee Ahh... such a good read... for my pirate-obsessed husband. I mean, I'm into Johnny Depp just like any other female, but a book with everything in it? Come on! Okay, I admit: it's good stuff. Interesting, educational, everything you could want in a pirate book. This was an awesome gift for my husband that I enjoy perusing. I'm sure my children will grow up knowing all-things-pirate and be better people for it. Right?!

Ebbry-blastin'-theng ye needs must know-oo to lay tongue liker aargh-thentic pirate, by the devil's twisted tail. Take a tour through the world of piracy with the only authoritative work on the pirate language. A comprehensive course in pirate vocabulary, pronunciation, grammar, and syntax, The Pirate Primer contains three centuries of distinctive terms and usages uttered by (and attributed to) pirates in film, TV, literature, and history. Discover more than 100 pages of threats, curses, oaths, insults, and epithets; 31 types of pirate drink; 60 different pirate terms for "woman"; 67 kinds of pirate torture and punishment; 44 distinct definitions of "aargh"; and more. Each entry in the Primer is accompanied by an excerpt, so you can see the words and phrases used in proper context by actual pirates. And each linguistic concept is introduced by a related anecdote or narrative account, so you can live the language while you learn it. Whether you're simply fascinated by the culture of the Brethren of the Coast or you fancy yourself a modern-day corsair, The Pirate Primer is your guide to authentic pirate speak. Should you ever stare down Davy Jones and he demands proof that you're one who flies no flag, despair not. You'll be able to talk the talk, and no mistake.

About the Author George Choundas lives and works in New York City. Educated at Emory University, he is a corporate litigator and former FBI agent. The Pirate Primer was inspired by a trolley ride he and his wife took in Key West, Florida during which a coarse shop owner charged after the sightseers on foot, swinging a cutlass and screaming pirate epithets.
