Cynthia Enloe, Joni Seager : The Real State of America Atlas: Mapping the Myths and Truths of the United States before purchasing it in order to gage whether or not it would be worth my time, and all praised The Real State of America Atlas: Mapping the Myths and Truths of the United States:

0 of 0 people found the following review helpful. Five StarsBy Lyndsay ReedGreat visuals, help make abstract concepts more concrete0 of 0 people found the following review helpful. A nice book, but more a collection of almost random ...By doug loweSome interesting material, so I see it mostly as an interesting coffee-table book. Much too scattered however, and the attempt at cohesiveness through chapter headings isn't very successful. A nice book, but more a collection of almost random information.0 of 0 people found the following review helpful. My USABy kris kauffoldThis atlas is amazing! It is not just geography, it is crammed full of amazing facts and figures. It sits in my living room, and everyone seems to pick it up. Once they open it, they are hooked. It is so interesting and intriguing, a

definite positive addition to my coffee table.

A vivid and frequently surprising picture of America in the twenty- first century. Packed with fascinating facts and illustrated throughout with clear, easy-to-read, four-color graphics, The Real State of America Atlas draws back the curtain on our complex nation to reveal the myriad realities of the American experience-from our changing demographics to patterns of home ownership to the kinds of food we eat. Cowritten by two esteemed scholars, this comprehensive and enlightening work upends many long-held myths and shows us who we are today. It is the perfect read for anyone who wants to better understand our ever- changing nation.

a visually stunning collection of 40 chapters that lays bare the condition of the modern US.
