From street vendors yet they ate!! The boils they got.and the accidents and what not that all happened.Great detailed reading from a signed copy.0 of 0 people found the following review helpful. one for the bucket listBy reader not righterA well written book about exploring this world and the people in it..A very personal experience I can imagine doing...0 of 0 people found the following review helpful. Very Interesting Book!By AdventureGalI've read around a dozen books written about cycling in foreign countries. This book is one of the best. I enjoyed reading about their explorations both on and off the bike, and learned a lot about other countries I hope to visit in the future.

Written with a keen eye for detail and a wry sense of humor, "The Road of Dreams" is travel writing at its best! Follow the unforgettable exploits of seasoned travelers Bruce Junek and Tass Thacker on their 26-month around-the-world bicycle trip. They crossed four continents through sweltering temperatures and winter snowstorms punctuated by 42 flats. This deeply personal travel book is also the story of an inner journey with a compelling message: Recognize what you value most in life, and pursue it!

About the AuthorBruce Junek and Tass Thacker have spent their lives exploring the worlds exotic places and cultures. They support their adventurous lifestyle by speaking and giving slide programs. In addition to their world bicycle trip, they have programs on Rainforests, Volcanoes, Africa, and the .
