It has a fair amount of information on most locations, and the cultural info is helpful. It even has some words and phrases in the back that came in handy. It's mostly a guide book, but I'm guessing that the restaurants and hotels listed in each city paid to be in the book. It is written like the endorsements aren't quite objective and without

This, along with online search, helped us find a great Eco Lodge and activities to do in the area north of San Jose.0 of 0 people found the following review helpful. Good information, Some of Which is Not Found in Other GuidesBy CustomerThis guide worked well for us. It was an important part of a wonderful tripWe found one particular attraction in this guide that was not in either of our other two books. This attraction was one of our favorite excursions.
