Useful and easy-to-readBy GeofizThis book is full of useful and apparently unbiased information. The maps are in color and clear and at appropriate scales. It appears to be up-to-date. The chapters are logically divided into geographic areas. I felt that I got my moneys worth.

This guide includes cultural information about the area, listings of accommodation, restaurants and entertainment, tips on the best times to visit and the places to avoid. The volume covers all the major towns from Exeter to Penzance.
