Rough Guides : The Rough Guide to Dubai UAE Map 2 (Rough Guide Country/Region Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guide to Dubai UAE Map 2 (Rough Guide Country/Region Map):

Good nice map for UAE, bad map for DubaiBy HuevosTibiosIf you want a map for UAE, this is a beautiful map.If you want a map for Dubai to survive in the city and not get lost, this map is too big and not enough detail to the street level in Dubai. The map's name is "DUBAI (in CAPS) the United Arab Emirates" so it gives the appearance that the main importance is the City. I love Rough Guides. Pity the map is not a good enough map of Dubai.7 of 10 people found the following review helpful. Nobody's fault.....but simply out of dateBy Kalea RoseThe face of Dubai (UAE) changes continuously and residents of the city are forced to purchase/download new maps about every 3 months! Naturally, this should not reflect negatively upon the publishers of this map - although, a 2007 version would be wonderful (hint hint!).For other cities within the UAE such as Abu Dhabi, Sharjah, Al Ain etc, the map is probably still quite useful.

Navigate your way through Dubai the United Arab Emirates with The Rough Guide Map. Printed on waterproof, rip-proof paper, this fully updated map pin-points the best this captivating region has to offer, from Dubai's skyscrapers and shopping malls to the souk markets and charming old city centre, and everything in between.
