Rough Guides : The Rough Guide to Dubai Uae Map (Rough Guide Country/Region Map) before purchasing it

in order to gauge whether or not it would be worth my time, and all praised The Rough Guide to Dubai Uae Map (Rough Guide Country/Region Map):

The Rough Guide Map Dubai, United Arab Emirates, Qatar and Bahrain is the most detailed and comprehensive map to this intriguing destination. The scale of 1:470,000 allows for enough detail to include even the smallest dirt tracks and settlements whilst also being a manageable size for use in the car or whilst walking. Pinpointed on the map are places of interest, including archeological sites, oases, nature reserves, desert and dunes. Whether you're heading off the beaten track or on a stopover in Dubai this map is your essential companion.
