I hope it comes in handy when I get to visit Ecuador. The authors must have visited every square inch of this country because they have information on every location. It's a great read.2 of 2 people found the following review helpful. Covers the waterfrontBy QuailrancherWe lugged this around Ecuador for

10 days and found it had most everything we needed. The only fault was that it is skimpy on details about where to stay and eat. Nothing wrong with what it does suggest. Just a limited amount of suggestions. Otherwise, it covered all the main attractions and was everything we needed it to be. 1 of 1 people found the following review helpful. VERY useful, thank you. By David G. VERY useful, thank you. Loved the places we stayed, especially Copalinga for birding in Podocarpus park (a lek of Andean Cock of the Rock!!!) and Casa Ordonez in Cuenca, a magical city.
