Lexus, Rough Guides : The Rough Guide to Latin American Spanish Dictionary Phrasebook 1 (Rough Guide Phrasebooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide to Latin American Spanish Dictionary Phrasebook 1 (Rough Guide Phrasebooks):

2 of 2 people found the following review helpful. Pronunciation guide is a little off, but ...By Senora Gose...at least it HAS pronunciation listed for each phrase! Most books and reference materials leave this part out. However, the phonetic spelling for each phrase or word leaves a bit to be desired. The pronunciation for Gracias is listed as gras-yas.

Depending on where you live and whether you use a long a or not, your diction could be quite garbled. The phrases are useful, but the page set-up is not very clear. I would say this is a pretty decent text, but not my first choice for a travel or phrase guide. Not great, but not terrible. This is directed more toward traveling rather than actually acquiring language or forming original sentences. Sra. Gose Author of Spanish Fun Activity Calendar Flip Flop Spanish: Ages 3-5: Level 1 (Book + CD)
