Sandra Opdycke : The Routledge Historical Atlas of Women in America (Routledge Atlases of American History) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Routledge Historical Atlas of Women in America (Routledge Atlases of American History):

0 of 0 people found the following review helpful. Everything is great..By Nic86A+++.. Everything is great. . . :)3 of 3 people found the following review helpful. Outstanding and a must-read!By Megan AuchinclossThis atlas is beautiful and informative. The maps/illustrations are both colorful and a valuable addition to the text. The text itself is brilliantly

written and accessible to all ages. This is an important work that every woman should read.

First Published in 2000. Routledge is an imprint of Taylor Francis, an informa company.

From Booklist ed with The Routledge Atlas of African American History. These two thematic atlases present information in the same fashion as The Routledge Historical Atlas of the American Railroads and The Routledge Historical Atlas of the American South, both reviewed in our February 1, 2000, issue. REVWR Copyright American Library Association. All rights reserved "A useful work filled with clear graphics and concise articles... This resource will be helpful to students doing research." - "School Library Journal, November 2000 About the Author Sandra Opdycke is Adjunct Professor of Urban Studies at Vassar College and Associate Director of the Fordham Institute for Innovation in Social Policy. She is the author of No One Was Turned Away: The Role of Public Hospitals in New York City since 1900, and the co-author of American Social Welfare Policy: Reassessment and Reform.
