Hiram Bingham : The ruins of Choquequirau before purchasing it in order to gage whether or not it would be worth my time, and all praised The ruins of Choquequirau:

The ruins of Choquequirau This book, "The ruins of Choquequirau", by Hiram Bingham, is a replication of a book originally published before 1911. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.

About the Author HIRAM BINGHAM was born in Honolulu, Hawaii, in 1875. After receiving a B.A. from Yale and a Ph.D. from Harvard, he sailed to South America in 1906. In 1911 he located the site of the last Inca capital and became the first person to ascend the 21,763-foot Mount Coropuma. The following year he discovered Machu Picchu. After serving in World War I, Bingham served as governor of Connecticut in 1925 and as a U.S. senator from 1925 to 1933.
