**Daniel Allen : The Sky Above, the Kingdom Below: Travelling in the Footsteps of Thomas Coryate (Armchair Traveller)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Sky Above, the Kingdom Below: Travelling in the Footsteps of Thomas Coryate (Armchair Traveller):

some four hundred years later another Englishman abroad, Daniel Allen, retraces Coryates eastern odyssey by bicycle

About the Author Daniel Allen has travelled extensively in Europe and Asia and has worked on three continents, living in Sydney and in Hong Kong for several years. This is his first book.
