Vrios Autores : The South Brazil: Philips Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The South Brazil: Philips Guide:

The South thrives on a territory of contrasts, moulded by geography and enriched by the strong presence of immigrants. This guide has complete itineraries to help travellers discover the Brazilian Southern region. It covers the attractions, which include 90 beaches, 34 national and state parks, 110 cities described in detail, as well as other information necessary to have an unforgettable journey.
