John Kenneth Campbell : The Stations of the Cross in Jerusalem before purchasing it in order to gage whether or

not it would be worth my time, and all praised The Stations of the Cross in Jerusalem:

This exceptional guide to the Via Dolorosa details the stages of Jesus' trials and describes the characters and roles of some of the protagonists. Also gives an account of the 14 stations and the relevant prayers to be recited at each. Lavishly illustrated, including 22 pages in full color.,
