The Stormrider Guide- EuropeBy Matthew S. HaunThis and all the Stormrider Guides are truly great sources of information about surf travel. Cleverly put together, have beautiful illustrations, and are packed with all the necessary information you need to start planning your surf adventure and travel. Every surfer (young or old) should have all of them on the shelves of their personal library. Go ahead and invest. You'll be stoked, dude!Cowabunga, nos vemos en el agua!0 of 0 people found the following

review helpful. A must have for any surf stripBy L. SalgueiroThis is the updated version (2006) of the already very good Stormrider guide Europe book. More and updated info, maps and pics on the usual spots as well as some new ones that have been added. A must have for anyone considering venturing out on a surf trip around europe and/or Morocco. Includes northern europe, portugal, spain and the mediterranean as well as morocco.

This is a surfing guidebook to Europe (not the Atlantic Islands). "The Stormrider Guide Europe - The Continent" includes - Denmark, Germany, The Netherlands, Belgium, France, Spain, Portugal, Italy and Morocco. It is fully revised and contains detailed information covering The Surf, Ocean Environment and Surf Culture on a country by country basis. The Surf outlines where and when to go and demystifies the continental Europe coastline from Denmark to Morocco. Ocean Environment deals with pollution, erosion, access and hazards, while Surf Culture illuminates the surf scene including history, surf media, contests and localism. The indispensable travelling information is concise plus there's links to all the latest oceanographic and swell forecasting resources. The Continental coastline is accurately mapped in detail, showing where to find the main surfing breaks. Each surf break report outlines how and where the waves break, quality, consistency and the general vibe. The unique Stormrider symbols reveal optimum wind, tide, swell size and direction, as well as wave type and bottom contour. Crowds, hazards, dangerous sea-life, pollution, access and environmental problems are also noted. A picture tells a thousand words so there are hundreds of the best photos of European surf, ever compiled. Stunning images in crisp colour from the cream of the world's surf photographers add that extra dimension that makes Stormriders the most detailed surf guides money can buy.

..get a copy of the excellent The Stormrider Surf Guide Europe. - The Sunday TimesIt is referred to in reverential tones by The Stormrider Surf Guide Europe, the surfer's bible.... - The Sunday TimesWell you can start by picking up a copy of The Stormrider Surf Guide Europe.
