Bruce Sutherland : The Stormrider Surf Guide: France (English and French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Stormrider Surf Guide: France (English and French Edition):

0 of 0 people found the following review helpful. Five StarsBy GSBS ENJOYED THIS BOOK. VERY SATISFIED WITH SELLER.

Finally, France has a Stormrider Surf Guide that covers all the incredible waves along this vast coastline. From the chilly Channel to the mild Mediterranean, there's something for everyone, helpfully written in both French and English. Beautifully illustrated by the best photographs available and crammed full of new information, this is the one and only guide to Europe's favorite surfing playground. France is the epicenter of the European surf experience and The Stormrider Guide: France takes you on an amazing tour of the entire coastline. From Calais to Corsica the best

reefs, points and beaches are all painstakingly described and large, vivid photographs bring the waves to life. The French surf culture and joie de vivre is perfectly captured in this detailed, one-of-a-kind guide.

"This book is for anyone doing what all surfers should do at least once in their lives - get their derrieres down to France and find some of the best waves in the world. In Stormrider style, the country is broken down by region, area and spots with excellent infographics and maps. It strikes a good balance between function and beauty - stunning photos make it highly browsable, but it'll work well as a dashboard reference too. Carry yourself well and those Frenchies will welcome you with Gallic warmth, incomparable food and wine, and fraternite to last a lifetime" - The Surfer's Path

The famous collection of guides surf back with a new book: The Stormrider Surf Guide France. From the Channel to the Mediterranean including Corsica, this new guide sifts the vast majority of spots, each with fairly complete information about tides, wind, waves and even more. Adorned with the best quality surf photos in each region, 50 updated, detailed maps, plus useful information on oceanography, the environment, surf culture, nearby surf shops, shapers etc. This guide will make some locals cringe, but it will be essential to those eager to discover the spots of France." - Surf Session
