**Mike Parise : The Surfer's Guide to Costa Rica SW Nicaragua** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Surfer's Guide to Costa Rica SW Nicaragua:

The most most detailed, most current and best selling surf guide to Costa Rica. Features over 80 breaks on both coasts and over 100 hotels nearest the breaks. Includes a helpful tips section including what to pack and how to pack surfboards. Many maps and helpful driving directions. Not a coffee table picture book or pocket guide. This is a comprehensive, down-and-dirty, backpack ready surf guide.
