Chris Rennie : The Surfer's Travel Guide: New Revised 7th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Surfer's Travel Guide: New Revised 7th Edition:

Right now there are thousands of waves breaking on beaches all around Australia. Some will be tempting 4ft waves over white sand in crystal water, others will be a bone crunching 10 feet high, grinding over shallow reefs and scaring the hell out of all in sight. That is the magic of Australia's coastline - its diversity and enormity. The Surfer's Travel Guide will get you to all those places and provide you with essential information and a good laugh along the way. With this travel guide, every surfer can make sure they catch the perfect wave.

About the AuthorChris Rennie, originally from Torquay near Bells Beach in Victoria, has a dream to surf every spot he has listed in his book.
