The King, Pierce, Snohomish edition is no exception. A must for anyone living in or traveling often to the Seattle area. This book is over 45 dollars at Barnes Nobels, and at Border's bookstores. The book is very sturdy and extremely detailed. It also comes with a CD-

rom so you can access all of the maps and look up addresses on your computer. .com is definitely the only place you need to look if you're shopping for a Thomas Guide (or anything else for that matter). I live in the state of Washington so the standard (free!) shipping was virtually next day guaranteed.0 of 0 people found the following review helpful.
