**Rand McNally : The Thomas Guide Bay Area Metro Street Guide (Rand McNally Bay Area Metro Streetguide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Thomas Guide Bay Area Metro Street Guide (Rand McNally Bay Area Metro Streetguide):

0 of 0 people found the following review helpful. Thorough Maps, Mediocre Design By Benjamin Short For us dwindling few who still prefer paper maps over GPS, this is a good book for navigating bay area neighborhoods. The map order in the book is a little confusing and can be a little difficult to use when driving yourself, but when you find the map you need, it's got everything. Biggest drawback is the cover should be plastic or thicker cardboard for longevity. 0 of 0 people found the following review helpful. Some times it is better to receive. By Customer It came in very good condition, better than I expected. The cover was almost new. The inside pages were outstanding. And the

binding was excellent.0 of 0 people found the following review helpful. Rare Map in Excellent conditionBy J.  
ChimesHard to come by publication in excellent condition
