Rand McNally : The Thomas Guide Los Angeles Ventura Counties Street Guide (Thomas Guide Los Angeles/Ventura Counties Street Guide Directory) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Thomas Guide Los Angeles Ventura Counties Street Guide (Thomas Guide Los Angeles/Ventura Counties Street Guide Directory):

3 of 3 people found the following review helpful. What a relief somebody still sells these books! By Sweaty Elvis Call me old fashioned, but I'm just not ready to get a GPS. I have no desire for one. The Thomas guide is like a GPS that never breaks, has dead batteries, or gets stolen. It also never gives me wrong directions. These things are getting hard to find. Everybody wants a GPS these days. I hope that the publishers are adapting their business to stay viable so that 10 years from now, old fashioned people like me will still be able to get printed maps. This is just what I need. 0 of 0 people found the following review helpful. very happy. By Gael Bailey Very, very happy. 0 of 0 people found the following review helpful. nice book By Michael Fin the digital age, you will likely have some older relatives or parents that are still in the analog age, and this works very well for them, it is updated, and is always easy to navigate. I made my mother quite happy at xmas with this.
