**Robert Strauss : The Trans-Siberian Rail Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Trans-Siberian Rail Guide:

Detailing the three major routes--the Trans-Siberian, Trans-Mongolian, and Trans-Manchurian and their natural

branches and extensions--this comprehensive guide offers the ultimate in rail travel. Central Asia and the Silk Route, Indo-China, North Korea and the Russian Far East via Alaska are explored. 8 color 20 bw photos. 60 maps.

The Trans-Siberian Rail Guide details all the major routes: Trans-Siberian, Trans-Mongolian, and Trans-Manchurian; and their natural branches and extensions: Central Asia and the Silk Route, Indo-China, North Korea and Alaska (via the Russian Far East). Fully up-to-date with the rapidly changing scene in Russia, The Trans-siberian Rail Guide includes European, Asian and North American gateways, and easy-to-follow strip maps of the railway route. Also featured are numerous tips on officialdom, security, money, climate, food, essential phrases in Russian, Chinese and Mongolian, along with travellers' anecdotes from the turn of the century to the present day. The Trans-siberian Rail Guide is essential for any rail traveler in that part of the world, and a wonderful addition to any railfan's reference book collection! -- Midwest Book
