Alex A. Lluch : The Ultimate Guide To A Sensuous Honeymoon before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Guide To A Sensuous Honeymoon:

2 of 2 people found the following review helpful. FuhgeddaboutitBy A CustomerWe got this book as a gift for our honeymoon. I guess we're lucky, but most of the stuff in here we'd already dreamed up on our own and the things that we wanted to do, we'd done. Sorry, but we were wanting romantic things, not necessarily directions to have (ahem) 'marital relations' in a public place, or in our car. I was very disappointed. At one point, we just started tearing through the sealed cards, just to see if there was anything we hadn't tried. We lugged this thing to Europe for our honeymoon, and should have left it there.

This unique book offers 50 sensuous games for newlyweds. The pages are sealed and perforated so that couples can enjoy the anticipation of each new game.
