DavidovichI was looking for cited quotes by Einstein. This book is a great resource.2 of 2 people found the following review helpful. A very great book on one of the giants of humanityBy Maharaj KaulA very great book on one of the giants of humanity. His thoughts on a variety of subjects are as superb as his science.0 of 0 people found the following review helpful. An excellent, well writtenBy Big Vince IIIAn excellent, well written, collection. If you're an Einstein fan, as I am, this is the book for you. "Quotable Einstein" is arranged by topic and may be read through or used as a handy reference tool. I use it both ways.

"[The Ultimate Quotable Einstein] is a compelling selection. . . . Students of Einstein's work and life, who are familiar with these contexts, can find many embellishments to their research, and often puzzling contrary notes to customary portrayals of his stance on issues ranging from Zionism to domestic life."--ChoiceAbout the AuthorAlice Calaprice is a renowned expert on Albert Einstein and was a longtime senior editor at Princeton University Press. She has worked with the Collected Papers of Albert Einstein since the founding of the project, has copyedited and overseen the production of all the volumes, and administered the accompanying translation series with a grant from the National Science Foundation. She is the author of several popular books on Einstein and was a recipient of the Literary Market Place's award for individual achievement in scholarly editing.
