National Geographic Maps - Reference : The United States for Kids [Laminated] (National Geographic Reference Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised The United States for Kids [Laminated] (National Geographic Reference Map):

National Geographic's The United States for Kids wall map is an enticing and engaging United States map perfect for classroom, home or library. Recommended by geography educators for ages 7 12, this map features an optimized map design for readability and easy, intuitive learning. All 50 states and the District of Columbia are shown with their official, colorful flags, The flags are arranged in alphabetical order for ease-of-use. Expertly researched, The United States for Kids map is an essential reference tool for today's well informed student of geography. The map is encapsulated in heavy-duty 1.6 mil laminate which makes the paper much more durable and resistant to the swelling and shrinking caused by changes in humidity. Laminated maps can be framed without the need for glass, so the frames can be much lighter and less expensive. Map Scale = 1:6,567,000 Sheet Size = 24" x 36"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
