Bob Sehlinger, David Hoekstra : The Unofficial Guide to Disneyland 2009 (Unofficial Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Guide to Disneyland 2009 (Unofficial Guides):

0 of 0 people found the following review helpful. Disneyland for the Serious VacationerBy David SchiopotaOne of the best ways to travel is to be with someone who's familiar with the place your visiting. The creators of the Unofficial

Guide are not just familiar with Disneyland, they are obsessive about it. Their analytical, fact-based approach is aimed at maximizing your time, money and patience. Ironically, what makes the Disney parks such wonderful experiences is what can make them so stifling and frustrating --- the people in them. This guide helps you find your way through the crowd and sets up realistic expectations about what a day at Disneyland can be. Most of all, they've done their homework and done it well. A Disney vacation is not a money-saving venture, but with this guide, you're going to get the biggest bang for your buck. Warning: this guide is not for casual travellers who like to "go with the flow" and make discoveries on their own, but if you want to be prepared, read this book.

0 of 0 people found the following review helpful. Terrific guide

By rosy4/16/09: We just got back and the book was invaluable. "We" are 2 senior grandparents, a 5 year old grandson and his mom. We stayed at the book's #1 best deal near Disneyland and it was very good. It was about a 20 minute walk, which is the best you can do without staying on the property but we got 2 suites for about half the price of one room at the resort. The "touring plans" are tremendous, even for someone who dislikes regimentation. We saw so much with relatively few long lines, and the book explained which "fast passes" were worth obtaining. The advice about planning was good, although we went on short notice and still found it helpful. We never would have had such a good time without the book!

6 of 6 people found the following review helpful. Outstanding, as always

By Sharon E. CathcartI was first introduced to the "Unofficial Guides" series back in 1994, and became an immediate convert. Each year's edition includes updates showing new rides/attractions, and includes data on weather, hotels, restaurants and even load times. The most useful feature? Clip-out "touring plans" that will allow you to make the most efficient use of your time, customized to various age levels and vacation durations. Highly recommended for long-time Disneyphiles and newbies alike.

More than 4 million copies sold! This series is the only one that offers evaluations based on reader surveys and critiques, compiled by a team of unbiased inspectors. Hotels, attractions, and restaurants in all price categories Extensive information on shopping, nightlife, and sports Easy-to-use, two-color design Detailed, 2-color maps From the publishers of The Unofficial Guide to Walt Disney World "A Tourist's Best Friend!" Chicago Sun-Times "Indispensable" The New York Times Five Great Features and Benefits offered ONLY by The Unofficial Guide: Every attraction ranked and rated for each age group, based on interviews and surveys of more than 7,500 families When and where to go: the best times of the year and the best days of the week for each park All the Disneyland-area hotels ranked and rated for value and quality of rooms Field tested itineraries for adults and families with children that can save more than three hours of waiting in line Complete coverage of Disney's California Adventure theme park and Universal Studios Hollywood

From the Back Cover From the publishers of The Unofficial Guide to Walt Disney World "A Tourist's Best Friend!" Chicago Sun-Times "Indispensable" The New York Times Five Great Features and Benefits offered ONLY by The Unofficial Guide : Revolutionary, field-tested Touring Plans that can save four hours of standing in line in a single day New dining chapter with detailed reviews of over 50 restaurants including all full-service restaurants at the Disney hotels, theme parks, and Downtown Disney Almost 100 Disneyland Resort and Anaheim hotels rated and ranked, plus proven strategies for getting the best rate Tips and stories from real families about their experiences at Disneyland and Disney's California Adventure Each attraction described in detail and rated by age group based on a survey of over 8,000 families About the AuthorBob Sehlinger is the executive publisher of Menasha Ridge Press and the author of numerous Unofficial Guides, including Unofficial Guide to Las Vegas and the best-selling Unofficial Guide to Walt Disney World.
