Beth Blair : The Unofficial Guide to Mall of America (Unofficial Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Guide to Mall of America (Unofficial Guides):

The Unofficial Guide to Mall of America is the first of its kind. Never before has a guidebook been written about the Mall of America. The Unofficial Guide to Mall of America enhances visitors' experiences by assisting them through the entire process, from finding the right hotel and making the decision whether or not to rent a car or use the hotel shuttle. The various attractions are laid out and analyzed so that Mall of America-goers can decide what activities will enhance their experiences and which are simply tourist traps. In addition to ranking and describing the stores and restaurants, The Unofficial Guide to Mall of America, by Beth Blair, offers insight and tips that will not only make the visit fun for those looking for a general Mall of America experience but will also highlight things for people with special interests.
