We sailed the Disney Dream for 4 nights. Purchasing this book beforehand and reading it page by page was a tremendous help in knowing what to do and when to do it. A HUGE thank you to the authors, because this book saved us! I even packed it and took it on the cruise with us because I knew I'd refer often to it, and sure enough, I did! We plan on sailing The Fantasy in a couple of years, and I will definitely purchase the updated version before we go!3 of 3 people found the following review helpful.
