R. C. Mossman : The Voyage of the 'Scotia': The Story of Scotland's Forgotten Polar Heroes before purchasing it in order to gage whether or not it would be worth my time, and all praised The Voyage of the 'Scotia': The Story of Scotland's Forgotten Polar Heroes:

This account of the 1902-4 Scottish National Antarctic Expedition tells a story of exploration and research in unchartered polar regions--a success story that has been forgotten in the wake of Captain Scott's doomed trek.
