**From Brand: Sheridan House : The Voyages of Joshua Slocum: A Crew Member's Inside Story of the BT GLocal Challenge** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Voyages of Joshua Slocum: A Crew Member's Inside Story of the BT GLocal Challenge:

0 of 1 people found the following review helpful. arrived quickly in good condition. By Bruce BarrItem as described,

arrived quickly in good condition. Thanks

This definitive edition of all of Captain Joshua Slocum's writings is now being reissued in time for the 100th anniversary of Slocum's epic singlehanded voyage.

...for readers who love the sea and the well-told tale, the work of Joshua Slocum will always be rewarding. He lived in an era when self-reliance was not a virtue but a necessity. From an ancient rotting oysterman, he built a sweet little ship and sailed her around the world. From a hard, bitter life, he built a literary monument to the freedom of the seas. (Living Aboard)Grand to have the excuse to re-read *Sailing Alone Around the World*, to find the wit as dry as ever, to savour again the tacks and the pilot of the *Pinta*. But how does one review such a classic, except to say, 'Read it!' to those who have not? (Cruising Association Bulletin)Slocum's singlehanded circumnavigation is still an inspiration to most small vessel sailors, and the book makes fascinating reading for all sailors, especially those planning their own circumnavigations. (Sailing)About the AuthorWalter Magnes Teller was widely recognized as the foremost Slocum scholar of our time. In addition to editing this volume of Slocum's complete writings, he wrote two books on Slocum and several personal narratives about New England. He also edited *On the River: A Variety of Canoe and Small Boat Voyages*. He died in 1993 at the age of 82.
