David DeFord : The Wabash Trace Nature Trail End to End before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Wabash Trace Nature Trail End to End:

0 of 0 people found the following review helpful. Beautiful Tribute to a Midwestern Treasure By Kathleen LKP This is the essential guide for the Wabash Trace. If you are a serious cyclist, and you love nature -- you will love this place. And don't go until you get this book.

This guidebook is the perfect companion to help you explore the 62-mile Wabash Trace Nature Trail. Running from Council Bluffs to Blanchard on the Missouri border, this converted railroad bed offers its visitors recreational and wildlife experiences in a beautiful setting. Whether you are bicycling, running, hiking, or cross country skiing, this book will help you enrich your experience on the Wabash. Learn about the services available in each of the towns along the trail. Benefit from the suggestions of what to expect, what to bring, and how to make the most of your visit.

This book is a celebration of the Wabash Trace Nature Trail as it gently winds its way through each of these lovely towns. Use it as a guidebook and experience for yourself Iowa's natural splendor and its home-town hospitality. Bill Danforth President, Southwest Iowa Nature Trails, Inc. --Southwest Iowa Nature Trails, Inc. About the Author David DeFord fell in love with the Wabash Trace many years ago. He has cycled it from end to end many times. He has also hiked, snow shoed, and even pulled a handcart on it. David is the author of eight other books and speaks to audiences interested in the trail and in living useful, high-achievement lives.
