Ken Austin : The Wandering Goy: A Travel Memoir before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wandering Goy: A Travel Memoir:

What do sledgehammers, assassinations and beautiful women have in common? They all play a part in The Wandering Goy, a bizarre, mayhem-filled adventure that spins out of control in the streets and back alleys of Tel Aviv. A chance

decision to hop a boat to Israel leads to a strange journey full of mind-bending experiences, unforgettable characters and life-changing decisions.
