Canine Camps and Getaways (Advice for Pet Owners):

Thousands of resorts, lodgings, and campgrounds now welcome canine traveling companions. Like humans, dogs love to travel, and they relish new scenery and car rides - especially when they're with their favorite people or families. The Well-Traveled Dog covers all aspects of the journey, from hiking the back roads to staying at luxury resorts. Quality options are even available for those who must leave their pets behind or prefer to send them on their own holidays. Along with helpful tips on preparing for a trip and the basic rules of pet etiquette, this pet owner's travel guide provides useful information about pet-friendly destinations, requirements for domestic and international travel, keeping your dog healthy and happy while you're away from home, and accessories that make travel with your canine companion easier and more enjoyable for all.
