James March, Alberto Antonini, James Halliday, Bruno Prats, Ernest Loosen, Carlos Falco, David Baverstock :
The Winemakers' Essential Phrasebook (Mitchell Beazley Drink) before purchasing it in order to gage whether or

not it would be worth my time, and all praised *The Winemakers' Essential Phrasebook* (Mitchell Beazley Drink):

This groundbreaking international phrasebook is a thorough, extensive compilation of the most commonly used and practical winemaking terms and phrases in English, German, French, Italian, Spanish, and Portuguese. Its divided into five sections: glossary of words, introductory terms, viticulture, vinification, and tasting. Over 2,000 phrases in English cover every process involved in making every type of wine, and icons allow quick reference to the chosen language or section.
